From the Philadelphia Evening Journal.
CONGRESSIONAL "MOTHER GOOSE."
BY HARLEY QUINN.

There were Congressmen in Washington,
And they were wondrous wise,
They hallooted until they found
They could not organize;
And when they found this would not do,
With all their might and main,
They got "advice" on their pay,
And hallooted again!

Hey diddle diddle
The "chair" in the middle!
The "Congress" will organize soon!
The Lobby men laugh to see the sport,
And all feed from the National spoon!

of youth, may be easily removed without Mer-

MONEY, MONEY, MONEY!
CASH! CASH! CASH!
\$500, \$2000, \$3000!
In the town of Marshall County and surrounding
country have a real chance for making the above
sums at any time, by calling on me and securing
the following tracts or parcels of choice and extra
land in the county of Maries, State of Missouri.
I have over 200 acres in lots of 40, 80, and 160
acres, seven miles from Vienna, the county seat,
and eight to twelve miles from the railroad and 2
miles from Gasconade River. Also 320 acres of
choice land in Crawford County, 12 miles from
railroad. Also 320 acres in Wayne County two
miles from railroad. All of these lands or parcels
of land are of the very best quality. They are
not graduated, or one shilling an acre land; they are
all in the heart of a thickly settled and fast growing
country. I will sell 40 and 160 acre pieces, or
more, and any person can go and see the land and
if they don't prove as represented then no sale.
I will trade for improved lands about here or for
cash, on good terms--now is your time without de-
lay.
